NOTICE OF ALLOWANCE

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 12/29/2008 has been entered.

This is a NOTICE OF ALLOWANCE in response to the Amendment filed 10/30/2008.

Claim 2 has been cancelled.

Claims 1 and 3-18 remain in the Application.

New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because the drawings Fig. 1-3 are informal. Formal drawings may be submitted upon Allowance of the Application.

Allowable Subject Matter

Claims 1 and 3-18 are allowed. Renumbered Claims 1-17.

The following is an examiner's statement of reasons for allowance:

The prior arts of record taken alone or in combination fail to teach, anticipate, suggest or render obvious a method and a reliability controller of performing built-in self

repair of memories recited in the independent Claims 1 and 12, as currently amended, including among other limitations, "identifying memories which require a number of redundant elements for repair which exceeds the value that has been loaded into the on-chip counter, using a repair solution to repair a first set of damaged memories while not repairing and instead flagging a second set of damaged memories, wherein each of the memories in the second set have been identified as requiring a number of redundant elements to be used for the repair, where the number exceeds the value which has been loaded into the on-chip counter".

Consequently, Claims 1 and 3-18 (Renumbered Claims 1-17) are allowed over the prior arts of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
